Member: Virginia Press Association.

THE TENTH MONTH

Octoberr, the tenth month of the year, is in someways the most beautiful of the year. It is always a month of cooling weather, and usually the skies are clear and the air dry.

Rainfall, in most parts of the country, is far less in October than in the summer months which have preceded it. The leaves and fields put on their brown and tan and gold show of the fall and the season dies. It is a colorful display.

When October arrives, also we are in the last fourth of the year, and are only eleven weeks away from Christmas! Winter is just around the Corner, too and with Thanksgiving and the shorter days and shopping to be done in the last weeks of the year the days seem to pass faster and faster.

So this is the time to do your holiday shopping. This is the time to mail large parcels overseas for men for men in the service. This is the time to get ready for the year-end rush, which always overtakes us. What can be done ahead of time in October and November, will make the Christmas season happier more enjoyable and more meaningful.

MORE ON SHELTERS

The latest information on bomb shelters to come from official sources indicate that a surprisingly large percentage of residents will survive an atomic attack — if they take the proper precautions.

In the national capital, for example, it is said that those who have home shelters will almost certainly survive, unless they are unlucky enough to be in the exact spot where a bomb is dropped.

And even in World War I and World War II, there was no remedy for a direct bomb hit. That was that.

Today, however, the blast and fallout dust is a great danger to those in above-the-ground homes. Since most of our homes are above ground, that means a city's population might well be decimated by an atomic bomb.

The only way you can be fairly certain to survive such an attack—and you can— is to provide yourself with a shelter. It is already late to be thinking about this, even if your neighbors, like you, have succombed to the communist line, which goes something like this: "Oh well, if a nuclear bomb is dropped, we'll all be killed anyhow, so what's the use?"

This slick line, the psychology of resignation, or despair, could well lull the American people to sleep. The only sane and determined policy is to provide for our survival if nuclear war comes. If we are ready for it, that may be one reason it does not come.

KNOW THE WEATHER

By E. H. SIMS

Why is it warmer in the fall equinox than at the time of the spring equinox, in March?

October weather is warmer than March weather because of the heat which has been stored up in the earth during the days of long sunshine since the sun crossed the equator in March.

In September it crossed it again, and the daylight and darkness is equal on both equinoxes. But in March the earth has lost much of its heat over the winter, and equal weather.

The shortest day of the year comes in December, at the winter solstice, but the earth still contains some stored heat from summer and early fall and January and February are usually colder than December, though there is more daylight in both months.

Play safe — drive carefully.

Hixburg

Hixburg, Oct. 10.- Last week, a reading room was opened for use at Pamplin Elementary School for Primary Grades.

The Parent - Teachers' Association means business. A committee with Mrs. Tivis Reeves as chairman, found an empty room, collected funds, and remodeled the place. There is still much to be done.

The Book Fair will begin on the third Tuesday evening in November, when the P.-T. A. meets at the school. Mrs. Stuart Farrar is in charge of the Fair.

The newly elected officers are:

The Rev. C. P. Price, president

Mrs. Stuart Farrar, vice-president

Mrs. Tobin Inge, secretary

Calvin Robinson, Editor.

Sworn to and subscribed before me this 2 day of Oct., 1961.

(Seal) T. DeWitt Evans,
Notary Public

(My commission expires Jan. 16, 1962).

Mrs. Carlton Wayne, treasurer.

On Tutsday, Sept. 26, Mrs. John Hix and Mrs. Flossie Hix Erwin brought Miss Carrie Hix from the University of Virginia Hospital. Miss Hix stood the trip all right, but she is not feeling so well at this time.

Mr. Tom Erwin, of Mount Ulla, N. C., and Miss Colleen Cook, of Kannapolis, N. C., were week-end guests of Mrs. Flossie Hix Erwin recently.

On Tuesday, Mrs. Jim Carson and two sisters motored to Cleveland, where they will visit another sister, Mrs. W. E. Berry. They will return on October 10.

Recent visitors in tht home of Mr. and Mrs. Henry Covington were Mrs. David Harrison and daughter, Mrs. Clements, of Claremont, and Mr. Dabney Swan, Jr., and bride, of Syracuse, N. Y.

Mr. Lewis Dickerson has returned from Virginia Baptist Hospital in Lynchburg, and was well enough to attend Rocks Baptist Church last Sunday.

Next Sunday, Oct. 15, at Walker's Presbyterian Church, Mr. Charles Wells, "on invitation of committee to secure a new pastor," will preach at 11 A. M.

Mrs. Edwin Fore has returned from a northern trip. She spent a week-end in the home of Dr. E. N. Fusanats in Philadelphia, and a week with her daughter, Mrs. Georg, Glass, in Dover, Del. Last week, Dr. Fusanats was the guest of the Fores for sevtral days.

Mrs. DeWitt Goin and Mary Frances left by bus on Friday for Charlotte, N. C., for a visit with her son-in-law and daughter, Mr. and Mrs. Wade Adams.

Mr. and Mrs. Ed McPhillips and Mr. and Mrs. Charlie Williams were week-end guests of Mr. and Mrs. Watkins McPhillips, in Richmond.

Mr. Henry Covington has been sick for a week, and is still in bed.

Two V. P. I. cadets were guests of Mr and Mrs. Rob Martin. Cadet Wesley Carr, formrtly of Appomattox, but now of Richmond, came home with cadet Kinckle Martin for the week-end.

NOW! A NEW WORLD OF WORTH!

CHEVROLET

'62 CHEVROLET JOBMASTER TRUCKS WITH NEW High Torque Power!

Here's new High Torque power for every weight class—light, medium and heavy . . . the most powerful engines in Chevrolet history . . . sure saving power and dependability for every job!

There are plenty of powerful reasons for Chevy superiority. High torque reasons. Reasons that range all the way from a mighty new High Torque 409 V8* for heavies, right down to the thrifty Sixes . . . including the High Torque 261 Six* that's available for the first time in light-duties.

Loads of other reasons, too. Like the new work styling with downward-sloping hoods that let drivers see up to 10½ feet more of the road directly ahead. Like Chevrolet's proved Independent Front Suspension for even smoother riding, easier working trucks. Like the heavier duty hypoid rear axles for middleweights and the rugged new I-beam front axles* (9,000- or 11,000-lb. capacity) available for extra-tough jobs on Series 80 heavyweights. Like the longer lived mufflers. Like work-proved Corvair 95's (2 pickups and a panel) that haul up to 1,900 lbs. of payload with low-cost dependability and sure rear-engine traction. Like to know more? See your Chevrolet dealer.

*Optional at extra cost

6-6B Diesel 130 hp; 271 lbs-ft torque

NEW CHEVROLET-GM DIESEL DURABILITY

Here's new earning power for middleweights . . . rock-bottom maintenance costs, compact size, low weight, top torque and top power.

409 V8 252 hp; 390 lbs-ft torque

NEW HIGH TORQUE V8 *With 16½ per cent more torque than ever before available from Chevrolet.*

See your local authorized Chevrolet dealer
